WHOLE LANGUAGE LEARNING EXPERIENCES

校監的話 Supervisor's message

杜少萍校監

Supervisor Too Siu Ping Flora

有「全語文之父」之稱的語言學家 Kenneth S. Goodman 曾提出全語文教學是一種倡導真實自然，把語文放在情境中來學習。兒童學習語文，不僅單是認字，而是一個與生活經驗結合的整體學習過程，從實際運用語言的過程，提升兒童的語文能力 (Goodman, K. S, 1982)。因此，本學年在課程中推行全語文學習，將「聽、說、讀、寫」語文技巧融合在一起，讓幼兒能以整體學習方式學習語文，使他們在熟識和自然環境中運用和學習更將書面語和口語連繫起來。這種學習方式既能夠使幼兒建立自信心、豐富他們的詞匯，又能把語言技巧應用在學習和生活上。

Kenneth S. Goodman, whole language teaching scholar claimed that whole language teaching is perspective that can advocate realistic, holistic and constructive learning. Children's learning on language doesn't just include recognition of words but the whole learning process aligns with daily life experience. Through their application, it enhances their language abilities (Goodman, K. S, 1982). Therefore, our school implements whole-language learning in the curriculum, integrating "listening, speaking, reading, and writing" language skills. Children can learn language in a holistic learning approach, allowing them to use and learn written and spoken languages in a familiar and natural environment. This learning method enables children to build their self-confidence, enrich their vocabularies, but also apply language skills in learning and life.

「全語文」(Whole-language) 是一個以學生為中心，以運用語文為本的語文教學法，讓學生不論何時何地也浸沉在真實存在的傳意領域裏 (Froese, 1996)。本校採用全語文的教學理念，通過繪本教學、演說活動、小熊週記、新聞分享、親子說故事比賽、親子故事閱讀計劃、模擬活動等，培養幼兒對語文的興趣，建立優良的語文基礎。本校於這兩個學年參與「成長易高效能多元文化中文學習及幼小銜接」，發展高效能語文學習、幼小銜接策略和活動，以提升幼兒的語文學習成效。

Whole-language is described as a child-centered, literature-based approach to language teaching that immerses students in real communication situations whenever possible. (Froese, 1996) Our school adopts whole-language teaching approach. Through picture books, show & tell activities, Little Polar Bear journal, news sharing, parent-child story-telling competition, parent-child reading scheme, role-play activities, etc., we cultivate children's interest in language and establish their language foundation. Our school has participated "The Effective Learning and Teaching of Chinese and Smooth Transition to Primary for Multicultural Students Program" to develop effective language learning strategies and activities that will facilitate children's transition from kindergarten to primary education and enhance the effectiveness of language learning.

辦學宗旨 Aim

本校致力提供優質全人教育服務，並培養兒童五育(德、智、體、群、美)的均衡發展，透過愉快遊戲學習，啟發兒童潛能，培育孩子成為樂於學習、善於溝通、勇於承擔、敢於創新的新一代，從而建立自信和積極的人生觀。

Growth Made Easy - Effective Learning and Teaching of Chinese and Smooth Transition for Multicultural Students

幼兒在發展語言的過程中是一個連續的程序，在語言學習的歷程中必須沉浸在語言的情境中進行，並與周遭的人事物交互作用，方為完整的學習架構。因此，語言的學習應從整體著手，且建構完整的學習體系，整合幼兒的學習經驗和知識。在豐富吸引的語文環境，藉著有意義的活動，讓幼兒自行探索和建構並自然地發展出對語言及文字的興趣，使他們在學習中將「聽、說、讀、寫」的語文能力得以完備發展。

The process of language development for young children is a continuous process. In the process of language learning, they must be immersed in the language context for integrated curriculum and teaching, and interact with the people and things around them to form a complete learning structure. Therefore, language learning should start from the overall perspective and construct a complete learning system to integrate children's learning experience and knowledge. In a rich and attractive language environment, through meaningful activities, children can explore and construct on their own and naturally develop their interest in language and characters, so that they can develop their language skills of "listening, speaking, reading and writing" in their learning be fully developed.

An Unforgettable Trip

Farrah

I went on an unforgettable trip to the Philippines this year. I visited some tourist spots and saw lots of beautiful scenery. I really enjoyed eating all the delicious Filipino food. I would love to go back and visit the beaches next time.

Janice

My most unforgettable trip is my first skiing trip. It seemed difficult for me but I could do it after practicing with the coaches. This trip teaches me that everything is possible if you are willing to try!

Natalie

This picture was taken in London last summer. It was my first time visiting England and I absolutely loved it. We went to a hotel for an afternoon tea. The experience was unforgettable.

Soni

My most unforgettable trip was visiting the Taj Mahal in India. It was a magical experience to see the Taj Mahal at sunset. It is indeed a masterpiece with unique aesthetic qualities, balancing symmetry and harmoniously blending various elements. Definitely Incredible India!

Sue

I traveled to Tokyo in Japan. It was an amazing trip; I went up the 'Tokyo Tower' and 'Sky Tree', the day and night view was breathtaking. Although it was quite scary to look down from such a height, I was brave to take a chance and stepped onto the floor window to look down. It was worth every moment. Japan is a wonderful country, the people were warm and welcoming and the food was fabulous! It was a meaningful trip that showed me to appreciate the beauty of their culture.

Jasmine

This photo was taken at the Ritz London during the last summer holiday. It was a memorable trip for me as my brother who now lives in London gave me a surprise birthday celebration during my visit. We have been living apart for so many years that makes us seldom celebrate each other's birthday except the distant wishes. It was definitely an unforgettable trip with the warmth and love to me!

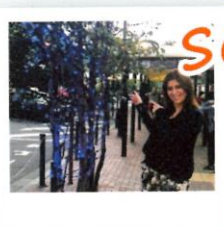

Roseline

I had an unforgettable trip few years ago when I visited Hokkaido for the first time. It was autumn, I enjoyed the sight of carpets of colorful flowers sweeping the hillsides at Farm Tomita. I was amazed when I visited the picturesque Hokkaido's Shirogane Blue Pond and the fairytale-like world of music boxes at Otaru Music Box Museum and more. I was relaxed and enjoyed every single moment in this trip. I looked back and thanked myself for working so hard in all those years, and my dream came true few months after the trip. Chase your dream, every little step counts!

Pearl

A wonderful trip to Taiwan which was filled with long traditions and rich cultural legacy and it was an amazing experience. Delightful discovery of the trip - Taipei 101, with its towering presence. Embarking on daringscapades like hiking through magnificent landscapes, delving into the depths of ancient temples, and beholding the infamous Shi Fen Waterfall. Each adventure added a surge of adrenaline, making my journey all the more exhilarating.

Seema

My most memorable trip was in 2019 when I visited Japan with my family. During my trip, I visited Tokyo, Mount Fuji and Osaka. My favourite among them was Mount Fuji because of its captivating beauty. Being surrounded by the fresh air of the countryside and nature truly made this trip a memorable one.

Melis

Australia has a special place in my heart. Its wide- open spaces, beautiful beaches and attractive cities make it one of the most remarkable countries in the world. The most unforgettable experience for me was to pat the kangaroos and visit the cute koalas in their own habitat. Overall, it is a stunning country that reminds us the importance of keeping our connection with nature.

袁亦南家長 (K3A)

大家好！

我是K3A班 袁亦南的家長。首先，我要感謝校長，每一位老師和教職員這三年以來悉心教導。十分感激小孩在幼稚園階段遇到您們。因為幼稚園是每一個小朋友正式開始學習生涯的地方。對日後漫長的學習之路影響深遠。更要感謝您們教會了小朋友如何做一個有愛心、有責任感的人。

在這段時間裡，我見證了亦南的成長和進步，在愉快的幼稚園生活中，由原來內向害羞的小女孩變得更加自信、懂事、懂得關心別人，並且對學習充滿了熱情。接放學時，我們經常看到了小朋友們的笑容、聽到他們的歡笑聲，每天晚上亦南也會很雀躍地分享校內發生的事情，這全是最好的見證。也是校長和老師們教導和關愛的成果，實在感激不盡。

最後，在這裡亦南一家送上誠摯的感謝和祝福。我們將永遠珍惜這段美好的回憶。同學仔們要上小學了，祝願大家一切順利和生活愉快。謝謝大家。

Every parent intends to find the best school for their kids, Ambrose and Bella (Twins) are blessed to have spent their wonderful kindergarten years at William (Smart) Kindergarten (Whampoa). I would like to express my profound appreciation to Principal and the school for furnishing both of my kids with a nurturing environment to learn and grow.

My daughter used to be very passive and timid in K1, over the years she has become more confidence, outspoken and independent. Whereas my son used to be a bit active, egocentric and now he has learnt to behave with good values and developed empathy. Throughout the years, there were times when kids encountered challenges, teachers would update their progress and gave advices. Once more, I extend my gratitude to all the teachers for their mentorship, patience, devotion and endless energy to help my children grow into a better person. Thank you once again to everyone who has been a part of Ambrose and Bella's reminiscences of kindergarten, both could not have done it without all the support and care the school, principal and the teachers has given to them. As we say goodbye to kindergarten and gaze toward to the future, they will assuredly reminisce the lessons they have learned and carry with them wherever their paths may lead.

親愛的威廉睿智幼稚園（黃埔）校長及老師們：

作為一位家長，我要特別讚揚您的教師團隊。他們以其敬業精神和對森森的關心而令我深受感動。每位教師都展現出專業的教學能力，並通過創意和互動的方法激發森森的學習興趣。森森在他們的指導下取得了巨大的進步，並且對學校充滿了熱愛和期待。

此外，我要感謝您為我們提供的多種活動和豐富的學習資源。這些活動不僅擴展了她的視野，還培養了她的社交技能和創造力。我真心感謝您致力於提供全面的教育，並為孩子們的未來奠定堅實的基礎。
